"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our Oriental countrymen, but which we cannot dwell upon here. The code of Hygienic Maxims for the guidance of European enjoiners concludes the work, which is constructed with great labour, talent and judgment.

SUPPLEMENT TO
The Calcutta Gazette.

Published by Authority.

SATURDAY, FEBRUARY 9, 1839.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 29th JANUARY, 1839.

The following Draft of a proposed Act was read in Council for the first time on the 29th January, 1839.

Act No. of 1839. A.

I. The existing Charter of the Bank of Bengal having been found in many respects inconvenient and imperfect, the Members of the said Corporation have by their Directors applied to the Governor General of India in Council for the amendment thereof, by a new Charter or Act of Incorporation, tendering the surrender thereupon of the said Charter, and the Governor General in Council having assented to such surrender, and to the continuance of the said Corporation as hereinafter declared:—It is hereby enacted, that from the 1st day of May next after the passing of this Act the Charter of the said Bank of Bengal bearing date the 29th May 1823, and the Acts No. XIX. of 1836 and No. XXIV. of 1838 relating thereto, shall respectively cease to have effect; and the same are hereby from that day cancelled, save as to such particulars as are herein mentioned or referred to.

II. And it is hereby enacted, that the persons who at the time of the determination of the said Charter and Acts aforesaid shall, under the provisions of the said Charter and Acts, be the Proprietors of the Capital Stock of the said Bank of Bengal, shall notwithstanding the determination of the said Charter and Acts continue to be a corporation, body corporate and politic by the name of the Bank of Bengal with perpetual succession to them and their successive Proprietors for the time being of the said Bank as hereinafter mentioned, and to possess and enjoy all the rights, privileges and immunities incident by law to a corporation aggregate.

III. And it is hereby enacted, that all property and securities for property, claims and demands whatsoever now vested in or held by the said Bank of Bengal, under and by virtue of the said Charter and Acts, shall immediately on the determination of the said Charter devolve on and become vested and continued in the Bank of Bengal, so continued and incorporated by this Act as aforesaid, and that the said Bank of Bengal so continued and incorporated as aforesaid shall be subject to all debts, demands, claims and liabilities outstanding against the said Bank at the time of such determination of its said Charter as aforesaid, and that no suit or proceeding at Law or in Equity then pending shall cease or abate in consequence of such determination of the said present Charter, and of such renewal and continuance of the said Bank by virtue of this Act.

IV. And it is hereby enacted, that the said Bank so renewed and continued shall and may sue and be sued by its corporate name aforesaid, and shall and may have and use such common seal as the Directors of the said Bank shall from time to time appoint, and shall be competent to acquire and hold either absolutely or conditionally, for a term or in perpetuity, any description of property whatever and to transfer and convey the same.

V. And it is hereby enacted, that the Capital Stock of the said Bank as constituted under the said present Charter and Acts shall on the determination of the same by virtue of this Act continue to be the Capital Stock of the said Bank so renewed and continued as aforesaid, provided however that it shall be in the power of the Governor General of India in Council from time to time, by resolution notified in the *Calcutta Gazette*, to authorize the said Capital Stock to be increased and to make such order and direction for the opening of

subscriptions towards such increase of capital as to him may seem fit, giving due notice thereof to the Proprietors of the said Bank for the time being, and allowing to them a period of not less than twelve months to fill up such subscription themselves, and likewise to prescribe in what manner and form the Proprietors shall subscribe and pay into the said Bank the proportions of new Stock to which they may respectively be entitled, and to make such order and direction as to him the said Governor General in Council may seem fit for the disposal of the amount of new Stock that may not be subscribed for and paid up in the manner and form as prescribed.

VI. And whereas the Capital Stock of the said Bank which by the said Act No. XIX. of 1836 was fixed at 75 lakhs of Rupees divided into 1,875 Shares of 4,000 Rupees each, has by the Resolution of the President of the Council of India in Council, passed and notified to the Proprietors on the 17th October 1838, in conformity with Act No. XXIV. of 1838 been ordered to be increased by one-half, and whereas a book is now open for subscriptions and payment is now being made of such increased capital in the manner and under the terms and conditions authorized in the said Act No. XXIV. of 1838, and prescribed in the said order and notice of the President in Council, It is therefore hereby enacted, that the Capital Stock of the said Bank shall on the said 1st May next when this Act shall take effect for the re-incorporation of the said Bank, consist of the said sum of seventy five lakhs of Company's Rupees, together with such further amount as shall on that date have been subscribed and paid into the Bank of Bengal under the order and notice referred to, and the further subscriptions and payments of Capital authorized and ordered as above mentioned shall continue to be received in the manner provided in the said order and notice of the President in Council, and shall be added to the Capital Stock of the Bank as received, accordingly as is prescribed in the said order passed under the authority of the said Act, and the Capital Stock held by the Bank of Bengal on the said 1st May next, together with the further Capital that may be subscribed and paid up as above after that date shall be divided into shares of 4,000 Rupees each, or into quarter shares of 1,000 Rupees each in the manner declared and provided by Act No. XIX. of 1836, and the shares of the said Capital that may be then registered in the name of the Governor General of India in Council, shall be the property of the said Governor General of India in Council for the time being on behalf of the East India Company, together with any new shares or quarter shares for which subscription may be made on account thereof, under the option reserved to the said Governor General of India in Council to that effect in the said order and notice, and the shares and quarter shares registered as belonging to individual Proprietors shall continue to be the property of such Proprietors, and the said Proprietors shall respectively be in the proportion of their several interests Proprietors of the Bank of Bengal as re-incorporated by this Act, and shall hold and enjoy in respect to their several shares and interests the same precise rights and privileges, as regards the subscription to fresh Stock under the order and notice referred to, as they would have done if the Bank of Bengal had continued under the Charter and Acts referred to, the re-incorporation of the said Bank by this Act notwithstanding.

VII. And it is hereby enacted, that no Proprietor shall be allowed to increase his share in the Capital Stock of the said Bank beyond the amount of one lakh and sixty thousand Rupees, excepting on occasion of any increase being made to the Capital Stock of the said Bank under the authority of the Governor General in Council in the

manner prescribed in Section V. in which case any Proprietor holding Stock to the full amount of one lakh and sixty thousand Rupees, shall notwithstanding be entitled to subscribe to the increased Capital Stock in a rateable proportion; and excepting any addition to his interest in the said Capital Stock arises from succession, bequest or marriage.

VIII. 4th.—The Parties will be required to place in the hands of the Board of Canton, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in duplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to call the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed, to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England, and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without other notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors to the Financial Department, dated the 17th August, No. 18 of 1838.

The 10th November, 1838.

The following revised Terms and Conditions for making Advances in India and China upon Goods and Merchandise consigned to England are published for general information, also the following paragraphs 5 and 6 of the despatch of the Hon^{ble} Court of Directors, dated 17th August, prescribing the same for future observance:

TERMS AND CONDITIONS

FOR
MAKING ADVANCES IN INDIA AND CHINA,
UPON

The Goods and Merchandise of Individuals intended for Consignment to England, as payable to the Court of Directors of the East India Company.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2^d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding three-fifths of such ascertained value will be made.

The rate of Exchange to be determined from time to time at the place where the Advance is made under the Court's orders.

3. d.

Per Company's Rupee for Advances made at	Bombay.
Ditto	Madras.
Ditto	Bombay.
Per Spanish Dollar	China.

4th.—The Parties will be required to place in the hands of the Board of Directors, Bank and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon. Both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company; as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due; upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

9th.—Parties or their Agents will be required to insure the Goods from fire, and deposit the Policies with the East India Company; such Insurance to take effect from the date of the termination of the Sea risk. Should however the Parties or their Agents fail to effect such Insurance, the East India Company shall be at liberty to insure the Goods, the expense of which shall be reimbursed to them previously to their making over the Goods to these Parties or their Agents.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

NOTES

Medical Topography of Calcutta,
(Royal Bro. 180 Pages, with 2 Maps. Price 5 Rs.)
BY JAMES RAYNOLD MARTIN.

Presidency Surgeon and Surgeon to the Native Hospital.
Printed by Order of Government.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. Martin makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography, and not only so, but into the nature and treatment of the Endemic Diseases of the place."

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is consolidated with great labour, talent, and judgement.

It presents an admirable synopsis of what a treatise on Medical Topography ought to be. — From the *Medical-Chirurgical Review*, No. 81, for July 1853.

ON THE

Medical Topography of Calcutta,

(Royal 8vo. 100 Pages, with 2 Maps. Price 5 Rs.)

BY JAMES HANALD MARTIN,

Presidency Surgeon and Surgeon to the Native Hospital.

PRINTED BY ORDER OF GOVERNMENT.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be.—*From the Medico-Chirurgical Review, No. 57, for July, 1838.*
